Dear Secretary:

This amendment is filed in order to report two debts for unreimbursed expenditures. One for \$602.30 was accidentally omitted from our original report. The other was only recently submitted for reimbursement. See page 57 entry 3 and page 58 entry 1..

Enclosed are the four summary pages showing an increase in debt corresponding to the additional debts reported. No other changes have been made to any summary totals.

If you have any questions, contact our office at (405) 843-4294.

Respectfully submitted,

Jerry Bowser
Treasurer
